INTRO

THE ART OF BRINGING SOMETHING SPECIAL INTO EVERY DAY

Since 1748, Villeroy & Boch has brought timeless design, lasting quality, and meaningful innovation into everyday life. We create more than just products, we craft spaces of comfort and well-being that inspire a sense of home.

Rooted in heritage and driven by a passion for design, our mission is to make daily moments feel special. With every piece, we help consumers feel confident in their choices and connected to a refined lifestyle.

Headquartered in Mettlach, Germany, Villeroy & Boch has been family-owned for nine generations and is listed on the Frankfurt Stock Exchange. With 12,000 employees worldwide, we operate in over 140 countries and generated €1,421 million in revenue in 2024. Our business spans two divisions, Bath & Wellness and Dining & Lifestyle, and our portfolio includes well-known brands such as Villeroy & Boch, Ideal Standard, and Armitage Shanks.

OUR COMMITMENT TO SUSTAINABILITY

At Villeroy & Boch, sustainability is part of our identity. As a family business with over 278 years of history, we take responsibility for the future by focusing on people, the planet, and purposeful design.

DESIGNED FOR TODAY. RESPONSIBLE FOR TOMORROW.

We are building homes that combine beauty, performance, and environmental responsibility. From reducing emissions to rethinking packaging, every step we take brings us closer to our climate goals.

OUR FOCUS AREAS

Sustainable Products: Designed with the entire life-cycle in mind; from materials and production to use and end-of-life.

Sustainable Packaging: Less waste, more recycled content.

Sustainable Services: New models that extend product life and reduce environmental impact.

OUR GOALS

2030 : Climate-neutral non-ceramic production

2040 : Full company climate neutrality

2030 : Zero waste to landfill

Backed by global standards and certifications, including ISO and EcoVadis, we remain committed to real progress and long-term impact.

AWARDS

A LEGACY OF EXCELLENCE

Since our founding in 1748, Villeroy & Boch has been at the forefront of design and innovation in ceramics. Our unwavering commitment to quality and aesthetic appeal has earned us numerous prestigious awards, highlighting our dedication to creating beautiful and functional products for both homes and projects.

EXPANDING THE DESIGN SPECTRUM

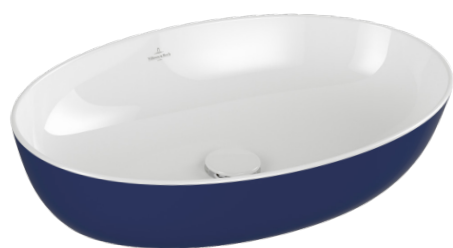

Colours evoke emotions, create atmosphere, and give rooms a unique personality. With Colour on Demand, you can personalize your free-standing or back-to-wall bath from Villeroy & Boch, adding a special touch to your bathroom.

FOR CAPTIVATING COLOUR HIGHLIGHTS

- Free-standing and back-to-wall baths in a BiColour finish
- Available for baths from the Collaro, Finion, Squaro Edge 12, Theano, Loop & Friends, Oberon 2.0, and Aveo New Generation collections
- Featuring colours from the Artis colour concept by renowned designer Gesa Hansen
- Choose from over 192 RAL colours in both matte and glossy finishes

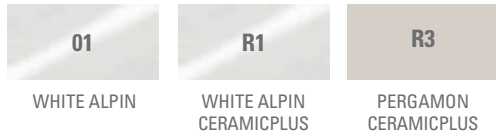

ENHANCED COMFORT AND QUALITY

- Heat-insulating properties for a comfortable bathing experience, thanks to acrylic and Quarryl®
- High-quality bath panels with a durable, hard-wearing coating
- Long-lasting sheen and a non-slip surface
- UV-resistant colours for enduring beauty

VICLEAN-IH⁺

VICLEAN-IH+

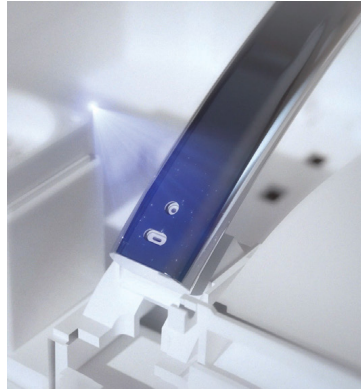

POWER JET
FLUSHING

Provides powerful flush ensuring excellent flushing performance for even less water.

NOZZLE
SANITIZATION

304 stainless steel nozzle is sanitized with UVC, achieving over 90% sterilization.

AIR
SANITIZATION

Plasma generator emissions to inhibit bacterial growth, ensuring over 90% antibacterial effectiveness.

WATER
SANITIZATION

UVC sanitization onspray water and nozzle cleansing water with sterilization rate of 90%

HYGIENE SURFACE
MATERIAL

Antibacterial ceramic and materials for the seat, lid, back cover, and remote.

SEAMLESS SENSING

Advanced Microwave sensor technology detects your presence, offering convenience and ease.

INNOVATIONS TO ENHANCE THE QUALITY OF LIFE

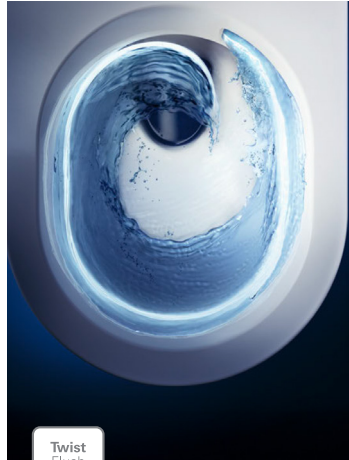

Villeroy & Boch's pioneering spirit transforms centuries of craftsmanship into cutting-edge innovation, redefining premium living through solutions that prioritize comfort, ease of use, and sustainability.

Twist
Flush
Villeroy & Boch

TWISTFLUSH

TwistFlush offers a powerful, hygienic, and water-efficient flush. Its unique swirling motion ensures spotless cleaning and independently proven aerosol reduction for a healthier bathroom.

Twist
Flush
Villeroy & Boch

TWISTCLEAN

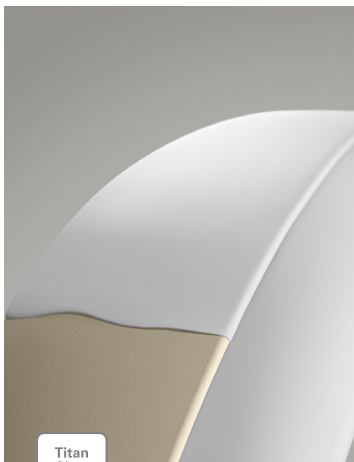

Our advanced TwistClean vortex flushing system delivers powerful, hygienic cleaning and effortless maintenance through its rimless design and efficient 3/4.8L flush.

Direct
Flush
Villeroy & Boch

DIRECTFLUSH

DirectFlush sets a new hygiene standard with its rimless design and L-shaped rim, delivering a powerful, splash-free flush for a perfectly clean, water-saving bowl every time.

Titan
Glaze
Villeroy & Boch

TITANGLAZE

TitanGlaze provides a modern matte finish with unparalleled durability, ensuring your ceramics remain flawless with exceptional scratch and impact resistance for many years.

Titan
Ceram
Villeroy & Boch

TITANCERAM

stronger, finer, and perfectly formed bathroom designs with Villeroy & Boch's innovative ceramic, allowing for remarkably stable, robust, thin walls and sharp edges.

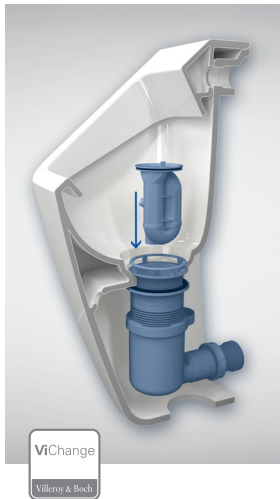

Ceramic
Plus
Villeroy & Boch

CERAMICPLUS

CeramicPlus is an exclusive high-quality ceramic surface, that provides superior hygiene with an eco-friendly and cost-effective surface for your home.

INNOVATIONS

VICHANGE

ViChange simplifies siphonic urinal maintenance and renovations with height-adjustable features and a 30-second siphon cartridge swap, significantly reducing time and costs.

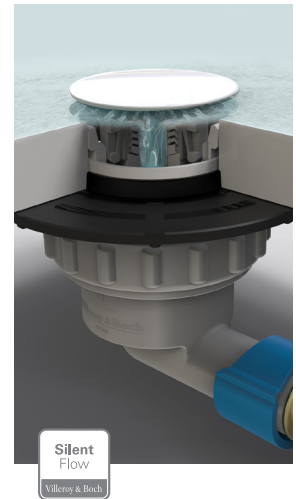

QUARYL

Quaryl®, our exclusive blend of natural quartz and acrylic, ensures incredible resistance to impacts, shocks, and scratches, delivering lasting shine and stunningly precise designs for years.

VIFLOW

Our innovative mechanical outlet and overflow fitting ensures a perfectly clean, hole-free look for your washbasin or bath, offering reliable overflow protection and easy maintenance.

SILENTFLOW

SilentFlow, pre-installed in our Quaryl® baths, delivers effortless relaxation by quietly and quickly filling your tub at up to 20 liters per minute for ultimate comfort.

EASY CLEAN

Longer durability through optimum limescale removal from nozzles and aerators with a brush of the finger

AQUA SMART

Sustainable water flow, limited to economical use to save water with no performance sacrifice.

SUPRIFIX 3.0

SupraFix 3.0 makes the installation of wall-mounted toilets more flexible than ever. Conveniently from above and with no visible attachment.

WHISPER FLOW

Exceptionally quiet water flow – noise class rating of 1 for the lowest level

WE PROVIDE THE SOLUTIONS YOU NEED FOR YOUR DESIGN

Villeroy & Boch works with architects, planners and interior designers during and after the project - from the first draft to the final version. Villeroy & Boch offers collections and products for individual project requirements with thematic area segmentation.

THE SYSTEM OFFERS:

- Diverse products for every project requirement
- A wide range of services
- Modern tools for efficient project design
- Newly defined standards for quality, design and innovation
- Rapid and simple orientation through different price and project segments

VIBRANT & STYLISH

Experience modern luxury in a vibrant, stylish small bathroom. With customizable colors, create a personalized oasis that reflects your unique taste.
